MISSION STATEMENT:

Trinity Lutheran Christian School and Early Learning Center

Seek to Glorify God by:

- Providing the Best Academic Education
- Presenting Lessons in the Framework of Biblical Truth
- Preparing Students to Fulfill God's Purpose for Their Lives with Christian Character

OUR VISION:

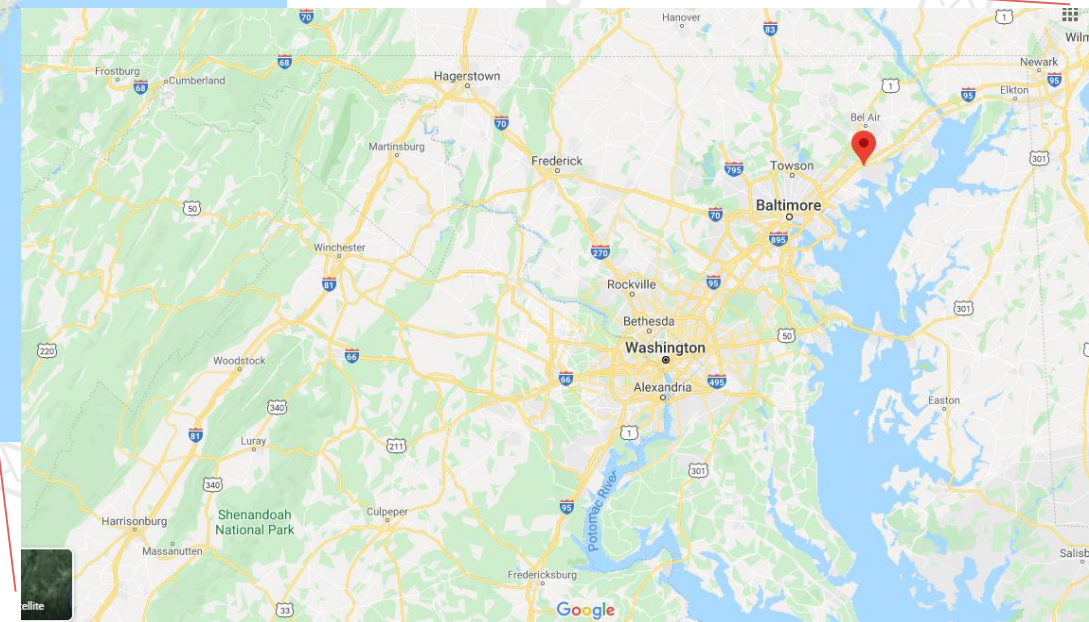

To produce high quality Christian leaders who thrive in high school, college and life and who change their world for the Gospel. Trinity Lutheran Christian School is approved by the Maryland State Department of Education. The Early Learning Center is licensed by the Maryland Department of Education Office of Child Care and accredited by National Early Childhood Program Accreditation.

CURRICULUM

Our Christian based curriculum is designed to prepare our students for the next level of education. On all levels we provide coursework in language arts, math, science, social studies, and Christian education. There are various opportunities for our students to explore music, art, technology, media, Spanish, health and physical education. Our Middle School has the opportunity to choose different electives such as Drama, chess, drumming, hand bells, and STEM logic. Our curriculum enables us to provide a well-rounded education for every child.
